

Michigan's Iron Belle Trail
**2015 IRON BELLE
PROJECT PROPOSAL-ROUND II**
DUE DATE: January 08, 2016

Focus of the Round II funding is on trail segments prepared to go into construction in 2016, continued support for the engineering & design and purchase of trail signage.

MICHIGAN'S IRON BELLE TRAIL FUNDING CRITERIA:

All projects will meet Americans with Disabilities Access requirements.

All projects on the bicycle route will use AASHTO design standards (in certain cases reduced width is allowed. Requests will be reviewed on a case by case basis.)

Applicants will be Local Units of Government or an established Trail Authority.

Trail segment is on the proposed trail route (map available on request).

Applicants will have site control (after planning, if route is being determined) and will be the manager of the trail segment that funding is applied for.

ELIGIBLE SCOPE ITEMS: Route engineering/design assistance, development costs and trail signage.

Unit of Gov't/Trail Authority: _____, **Project Contact:** _____ **Date:** _____
